**GENERAL TERMS AND CONDITIONS FOR GOVERNMENT AGGREGATION
MASTER RETAIL ELECTRIC SUPPLY AGREEMENT**

All capitalized terms used but not otherwise defined in the sections in which they initially appear shall have the meanings as defined by the Public Utilities Commission of Ohio (“PUCO”) or by PJM Interconnection, L.L.C. (“PJM” or Regional Transmission Organization (“RTO”)) at the time of the Effective Date. AEP Energy is certified by the PUCO as a Competitive Retail Electric Service (“CRES”) Provider to sell competitive retail electric service to customers in the State of Ohio. AEP Energy is an affiliate of AEP Ohio. The Agreement as well as the Attachment A and all other attachments, tables, schedules, exhibits, other supplements and related credit support arrangements shall form a single agreement between the parties (collectively referred to as this “Agreement”).

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE 1 - OBLIGATIONS OF THE PARTIES

1.1 Government Aggregator Obligations. The Government Aggregator is and shall maintain its certification by the PUCO as a government aggregator in connection with retail electric sales for the duration of this Agreement pursuant to Section 4928.20 of the Ohio Revised Code and 4901: 1-24-01, et. seq., Ohio Administrative Code. The Government Aggregator shall establish and sustain an opt-out aggregation program within its municipal or political subdivision boundaries of the Government Aggregator for its residents and small commercial businesses (the “Opt-out Aggregation Program” or “Program”). The Government Aggregator shall designate AEP Energy as the CRES Provider of record for purpose of supplying competitive retail electric service to its residents and small commercial businesses (as defined in Attachment A). The Government Aggregator shall adopt, or has adopted, an operation and governance plan (the “Plan”) in accordance with the Ohio Revised Code and the Plan has been approved by the PUCO. In coordination with the Government Aggregator, AEP Energy may send out enrollment forms to the prospective Customers or

any notices on behalf of the Government Aggregator. During the Term (as hereinafter defined), the right to supply competitive retail electric service for the Program shall be exclusive to AEP Energy. Government Aggregator agrees and acknowledges that no services shall be provided by AEP Energy to Customers until Government Aggregator has met all certification requirements to provide such Program in its jurisdictional territory. Government Aggregator shall not enter into any type of competitive retail electric service supply arrangement with a CRES Provider other than AEP Energy on behalf of its residents for the provision of the services described hereunder during the Term. During the Term, Government Aggregator shall not directly or indirectly encourage or in any way attempt to persuade either prospective Customers to opt out of the Program or Customers to discontinue their service with AEP Energy, other than notifying prospective Customers of their right to “opt-out” and by responding to related inquiries with factual information about the services.

1.2 Opt-out and Required Customer Notifications. The Government Aggregator shall provide to AEP Energy a list of all the

eligible residents and small commercial businesses for participation in the Opt-out Aggregation Program. AEP Energy reserves the right to remove from such eligibility list any residents and small commercial businesses who are not current in their EDU (as hereinafter defined) charges. Either AEP Energy or the Government Aggregator, in compliance with Ohio law, shall then notify such remaining prospective Customers of the Program and shall inform them of their right to opt-out, as well as their right to rescind the switch request from AEP Energy within the designated time period. Residents and small commercial businesses that do not opt out and participate in the Program (“Customers”) shall be informed of the terms and conditions for service including pricing, term duration, and any termination fees associated with cancellation by the Customers, the Government Aggregator, AEP Energy or by the electric utility responsible for delivery (“EDU”).

Following the initial opt-out process conducted by AEP Energy, AEP Energy may, in its sole discretion, conduct subsequent opt-outs at various times throughout the remaining term of this Agreement (“Refresh Opt Outs”), and, if conducted, such Refresh Opt Out(s) shall provide to newly eligible customers the opportunity to participate in the Program. All Refresh Opt Outs shall be conducted in the same manner as the initial opt out.

Any eligible residential or non-mercantile commercial customer that is located within the EDU’s service territory and the Government Aggregator’s jurisdictional territory at the time of any Refresh Opt Out (including, without limitation, any eligible customer who opens a new account or who was formerly a member of the Program that moves to a new location, each within the EDU’s service territory and Government Aggregator’s jurisdictional territory, a “Newly Eligible Customer”) will be included in such Refresh Opt Out; provided, however, that no Refresh Opt Out notifications shall be sent to current Customers already participating in the Program or eligible residential or non-mercantile commercial customers that have previously (at such customer’s same service address or account) opted out of, or rescinded under, the Program. As related to any Newly Eligible Customer, the price and term end date, which shall be the same as the initial opt out (subject to any amendments or revisions otherwise permitted under this Agreement), as well as other terms and conditions, which shall be substantially similar to the initial opt out or any other Refresh Opt Out, shall continue for the remainder of the term of this Agreement.

Should this Agreement be renewed for subsequent periods, to the extent required by applicable law or government rule, or regulation any person enrolled in the Program shall have the opportunity to opt out of the Program, without paying a switching fee. The notice/disclosure required above shall also include a stated procedure for such opportunity to opt out of the Program.

1.3 Customer Historical Load Forecast Information. The parties shall obtain the consent of all prospective Customers to obtain and verify the usage data and historical load and load forecast information, related to the Customer’s usage, from the EDU or other supplier. Government Aggregator shall promptly provide any notices from the EDU in connection with prospective Customer accounts, including any verbal or written notices regarding transition costs, changes in terms of service, tariff changes, any rate changes, or reliability concerns on the EDU system.

1.4 AEP Energy Obligations. Pursuant to the terms herein and for the duration of this Agreement, AEP Energy agrees to supply and

deliver to Customer the commodity portion of its electric supply service (the “Retail Electric Supply”). The Retail Electric Supply is delivered to the EDU’s interconnection point (each, a “Delivery Point”), and the relevant EDU is responsible for delivery of the Retail Electric Supply to Customer’s meter at and from that point, as well as for responding to emergencies. The Government Aggregator agrees and acknowledges that the EDU will provide distribution and transmission services to such delivery point. To the extent that any services or requirements are provided by the EDU, AEP Energy shall not be responsible for the provision of such services, AEP Energy shall not be responsible for services provided by the EDU, or the consequences of such performance or failure to perform. AEP Energy is under no obligation to provide Retail Electric Supply and related services hereunder until Government Aggregator has been certified by the PUCO. AEP Energy is and shall maintain its status as a certified CRES by the PUCO and shall comply with the rules of the PUCO. Customers enrolled in the Program shall receive services at the rate(s) set forth in Attachment A.

1.5 Customer Service Requests. Customers may contact AEP Energy directly regarding the terms of this Agreement and the services provided hereunder at the address listed above, which address and phone number shall be provided to Customers regarding the Program. Requests and inquiries regarding distribution services, including emergencies, power outages, wire or service maintenance, metering, service billing or other similar EDU related concerns should be addressed directly with the EDU.

ARTICLE 2 - TERM AND TERMINATION

2.1 Term of Agreement and Termination. The term of this Agreement (the “Term”) shall commence on the Effective Date and shall remain in effect until the later of: (i) the end of the next calendar month immediately following the end date of supply for the Customer with the latest billing cycle under the relevant Attachment A; or (ii) as set forth elsewhere in this Agreement, unless otherwise terminated or extended as set forth herein; provided, however, that no Customer shall be served by AEP Energy for more than the number of months set forth in the relevant Attachment A. AEP Energy shall use commercially reasonable efforts to commence service with respect to each Customer no later than on the first available meter read date, as determined by the EDU, expected to be on or after the date set forth in the relevant Attachment A and after AEP Energy receives confirmation that the EDU has completed its processing and has accepted the delivery service request. The Government Aggregator and AEP Energy may extend the Term for additional periods of time by written agreement approved and executed by each party. AEP Energy shall continue to serve Customers enrolled in the Program until the Customer exercises its rights to opt-out or terminate, or the Program is terminated by the parties hereto in which case Customers may choose another CRES or will be switched to EDU service in accordance with the standard switching rules and applicable notices. A Customer may be removed on an individual basis based on a failure to adhere to the terms and conditions of service. Termination of this Agreement shall not relieve Customers or either party of the obligation(s) to pay amounts owed for actual performance of obligations rendered prior to the termination of this Agreement.

2.2 Change in Law or Regulation. In the event that any new, or any change in any existing, statute, rule, regulation, order or other law, or procedure, tariff, rate class or other process or charge, promulgated by any governmental authority or EDU, Independent System Operator, RTO or other regulated service provider, alters to the detriment of AEP

Energy its costs to perform or its economic returns under this Agreement (a "Change in Law or Regulation"), then AEP Energy shall provide written notice requesting Customers' affirmative consent and agreement, describing the Change in Law or Regulation, the resulting price revisions, and the future date upon which such revised pricing is requested to be effective (a "Price Revision Request"). Each Customer then shall be able to affirmatively consent and agree to such Price Revision Request, and if such Customer agrees, such Customer shall pay the revised price described in such Price Revision Request, and all other terms and conditions of this Agreement not modified by such Price Revision Request will remain in full force and effect. If, however, such Customer does not affirmatively consent and agree to the Price Revision Request within thirty (30) calendar days, the retail electric service agreement with respect to such Customer shall automatically terminate without penalty or further obligation (but such Customer shall remain responsible to pay AEP Energy for any electricity supply used before such Customer's retail electric service agreement is terminated, as well as any late fees). Such termination will be effective on the next available drop date as established by the EDU.

2.3 Termination Events. In the event any of the following conditions occur during the Term, AEP Energy shall have the right to terminate this Agreement without liability and close out its obligations hereunder:

- (i) The EDU will not provide consolidated billing consistent with previous practice;
- (ii) The Government Aggregator does not receive the required approval to move forward with the Program; or
- (iii) Due to the interpretation of any applicable law by any judicial or governmental authority with competent jurisdiction, it becomes unlawful for AEP Energy to perform any obligation under this Agreement.

2.4 Termination Notices. In the event of termination hereunder, the terminating party shall exercise its best efforts to communicate to the non-terminating party the upcoming possibility of termination. In the event that this Agreement is terminated prior to the end of the Term, each Customer will be provided written notification from the terminating party of the termination of this Agreement at least thirty (30) days prior to termination, and in compliance with other regulatory or legal requirements and Customers will also be notified of their right to return to the EDU or to select an alternate CRES Provider. All other notification(s) shall be in accordance with PUCO requirements.

ARTICLE 3 - DELIVERY TERM

3.1 Delivery Term. During the Term and on and after the actual switch date(s), AEP Energy shall provide competitive retail electric service and related services to the Customers, and shall arrange for distribution service to the Customers by the EDU.

3.2 Customer Pricing. During the Term, AEP Energy shall provide competitive retail electric service and related services to all Customers at the price set forth on Attachment A. Any non-bypassable charges and fees approved by the PUCO and not included in the Price to Compare ("PTC") as of the Effective Date will be billed at their full rate.

ARTICLE 4 - BILLING AND PAYMENTS

4.1 Billing. Consolidated billing shall be provided to Customers directly by the EDU based upon the EDU's meter read and billing cycle for Customers. Such bills will contain both EDU and AEP Energy charges. Customer shall be responsible for payments to the EDU and shall be solely responsible for late charges, interests, or penalties imposed by the EDU as a result of Customer's failure to timely pay the EDU charges. If such late charges, interests, or penalties are directed to AEP Energy as the CRES, then Customer shall reimburse AEP Energy for any amounts paid. Any charges, fees, penalties, damages, credits, rebates or refunds arising from service to Customer by the EDU and/or other provider(s) prior to switch date shall be the responsibility of Customer or accrue to the benefit of Customer as appropriate. Customer shall use commercially reasonable efforts to respond to these obligations directly with the EDU and/or other provider(s). If such late charges, interest, or penalties are directed to AEP Energy as the CRES, then Customer shall reimburse AEP Energy for any amounts paid. Customer shall hold AEP Energy harmless for Customer's failure to pay these obligations in a timely fashion. If a Customer fails to pay amounts due within the specified time period for said payments in accord with the EDU's tariff and PUCO regulations, AEP Energy retains the right to assess late payment fees on, or deem such non-payment a Customer default. AEP Energy reserves the right to convert Customer from consolidated billing to dual billing, or from dual billing to consolidated billing if such a conversion will facilitate more timely billing, collections, and/or payment.

ARTICLE 5 - DEFAULT AND REMEDIES

5.1 Events of Default. The occurrence of any of the following shall be an "Event of Default" hereunder: (a) the failure to make, when due, any undisputed payment required pursuant to this Agreement if such failure is not remedied within five (5) business days after written notice; (b) any representation or warranty made by Government Aggregator or AEP Energy herein is false or misleading in any material respect when made or when deemed made or repeated; (c) failure of Government Aggregator or AEP Energy to perform a material obligation set forth in this Agreement for which an exclusive remedy is not otherwise provided herein, if such failure is not remedied within thirty (30) calendar days after receipt of written notice (including failure of a party to maintain PUCO certification); (d) Government Aggregator or AEP Energy (i) files a petition or otherwise commences, authorizes or acquiesces in the commencement of a proceeding or cause of action under any bankruptcy, insolvency, reorganization or similar law, or has any such petition filed or commenced against it, (ii) makes an assignment or any general arrangement for the benefit of creditors, (iii) otherwise becomes bankrupt or insolvent (however evidenced), (iv) has a liquidator, administrator, receiver, trustee, conservator, or similar official appointed with respect to it or any substantial portion of its property or assets, or (v) is generally unable to pay its debts as they fall due; or (e) fraud by AEP Energy or Government Aggregator.

5.2 Rights and Remedies. If an Event of Default shall have occurred and be continuing, the non-defaulting party shall, at its sole discretion, have the right to do any one or more of the following: (i) to immediately exercise any rights and remedies under this Agreement or law including equitable rights to specific performance in the case of AEP Energy to continue to serve Customers under the Program; (ii) to immediately withhold any payment or performance due to the other party under this Agreement; (iii) to terminate this Agreement by

declaring a date for its early termination (an "Early Termination Date") which shall be no later than thirty (30) days after notice is given; (iv) exercise such other remedies it may have in contract, in equity, or at law.

The parties recognize that damages or other amounts to be received by AEP Energy hereunder may be difficult to measure or inadequate because this Agreement is unique and the actual damages of AEP Energy may exceed any amounts to be received by AEP Energy hereunder. Therefore, the Government Aggregator waives all of its rights to assert as a defense to an action for specific performance and injunctive relief that the amounts payable to AEP Energy hereunder are adequate to cover the actual damages of AEP Energy.

ARTICLE 6 - FORCE MAJEURE

6.1 Force Majeure. If either party is unable to perform its obligations in whole or in part due to an event of Force Majeure as defined herein, then the obligations of the affected party shall be suspended to the extent made necessary by such event. The term "Force Majeure" means any cause not within the control of the party claiming relief, including, but not limited to, flood, earthquake, storm, drought, fire, pestilence, lightning, hurricanes, washouts, landslides and other natural catastrophes acts of God; acts of the public enemies, epidemics, riots, civil disturbance or disobedience, sabotage, terrorist acts, wars or blockades; governmental actions such as necessity to comply with any court order, law, statute, ordinance or regulation promulgated by a governmental authority; the failure of the EDU or RTO to receive, transport, or deliver, or otherwise perform, unless due to the failure of the party claiming Force Majeure to perform such party's obligations hereunder; or any other unplanned or non-scheduled occurrence, condition, situation or threat not covered above which by the exercise of reasonable diligence such party could not have prevented or is unable to overcome. Any such event of Force Majeure shall, so far as possible, be remedied with all reasonable dispatch. None of the following shall be deemed a Force Majeure event: (a) financial distress of either party; (b) the inability of either party to make a profit or avoid a financial loss; (c) changes in the market prices of fuel, energy, or power, or (d) a party's financial inability to perform its obligations under this Agreement. If either party is unable to perform any of its obligations under this Agreement due to a Force Majeure event, then said party shall notify the other party in writing as soon as possible after the start of the Force Majeure event. The written notice shall include a specific description of the cause and expected duration of the Force Majeure Event.

6.2 Curtailments and Outages. AEP Energy shall not be responsible to a Customer in the event the EDU or RTO disconnects, suspends, curtails or reduces service to Customer in order to facilitate construction, installation, maintenance, repair, replacement or inspection of any of the EDU's facilities, or to maintain the safety and reliability of the EDU's system, or due to emergencies, forced outages, potential overloading of the EDU's transmission and/or distribution circuits, or Force Majeure or for any other reason permitted by the EDU's tariff or any other acts or omissions of the EDU.

ARTICLE 7 - LIMITATION OF LIABILITY

7.1 DISCLAIMER AND WARRANTIES. EXCEPT AS PROVIDED FOR HEREIN, AEP ENERGY EXPRESSLY DISCLAIMS AND MAKES NO WARRANTIES, WHETHER WRITTEN OR VERBAL, FOR OR WITH RESPECT TO ITS SUPPLY

OF COMPETITIVE RETAIL ELECTRIC SERVICE OR OTHER OBLIGATIONS UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS, IMPLIED, OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. AEP ENERGY DOES NOT WARRANT OR GUARANTEE THE UNINTERRUPTED DELIVERY OF COMPETITIVE RETAIL ELECTRIC SERVICE TO CUSTOMERS DURING FORCE MAJEURE EVENTS. AEP ENERGY WILL HAVE NO LIABILITY OR RESPONSIBILITY FOR THE OPERATIONS OF THE EDU, INCLUDING BUT NOT LIMITED TO, THE INTERRUPTION, TERMINATION, FAILURE TO DELIVER, OR DETERIORATION OF EDU'S TRANSMISSION OR DISTRIBUTION SERVICE.

7.2 LIMITATION OF LIABILITY. UNLESS OTHERWISE EXPRESSLY PROVIDED HEREIN, ANY LIABILITY UNDER THIS AGREEMENT WILL BE LIMITED BETWEEN THE PARTIES TO DIRECT, ACTUAL DAMAGES AS THE SOLE AND EXCLUSIVE REMEDY, AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY OR ITS AFFILIATES FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, INCLUDING LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, WHETHER IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISIONS OR OTHERWISE IN CONNECTION WITH THIS AGREEMENT. THE LIMITATIONS IMPOSED ON REMEDIES AND DAMAGE MEASUREMENT WILL BE WITHOUT REGARD TO CAUSE, INCLUDING NEGLIGENCE OF ANY PARTY, WHETHER SOLE, JOINT, CONCURRENT, ACTIVE OR PASSIVE AND SHALL SURVIVE TERMINATION, CANCELLATION, SUSPENSION, COMPLETION OR EXPIRATION OF THIS AGREEMENT. ANY DAMAGES CALCULATED HEREUNDER CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS.

ARTICLE 8 - REPRESENTATIONS AND WARRANTIES

8.1 Representations and Warranties by AEP Energy. AEP Energy hereby represents and warrants to Government Aggregator as of the Effective Date as follows:

(i) AEP Energy is a corporation, duly formed, validly existing and in good standing under the laws of the State of Illinois;

(ii) AEP Energy has all authorizations from any government authority necessary for it to legally perform its obligations under this Agreement or will obtain such authorizations in a timely manner prior to when any performance by it requiring such authorization becomes due;

(iii) The execution and delivery of, and performance under, this Agreement are within AEP Energy's powers, have been duly authorized by all necessary action and do not violate, conflict with or breach any of the terms or conditions in its governing documents or any contract to which it is a party or any government rule applicable to it;

(iv) This Agreement has been duly executed and delivered by AEP Energy, and this Agreement (assuming due authorization, execution and delivery of all parties) constitutes legal, valid and binding obligations of AEP Energy enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, fraudulent

conveyance, reorganization and other laws affecting creditor's rights generally and general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law; and

(v) No bankruptcy is pending against it or to its knowledge threatened against it.

8.2 Representations and Warranties by Government Aggregator. Government Aggregator hereby represents and warrants to AEP Energy as of the Effective Date as follows:

(i) The Government Aggregator is duly authorized as the agent for the Customers, as a duly authorized government aggregator;

(ii) The Government Aggregator has all authorizations from any government authority necessary for it to legally perform its obligations under this Agreement;

(iii) The execution and delivery of, and performance under, this Agreement are within the Government Aggregator's powers, have been duly authorized by all necessary action and do not violate, conflict with or breach any of the terms or conditions in its governing documents or any contract to which it is a party or any government rule applicable to it. Neither the execution nor delivery by Government Aggregator of this Agreement nor the consummation by the Government Aggregator of the transactions contemplated hereby or thereby does or will result in a breach or violation of this Agreement establishing the Government Aggregator's authority, or its bylaws, or any material provision of the governance document related thereto. Notwithstanding the foregoing in this paragraph, it is understood with respect to the terms or conditions of any governance document (including the Plan), any contract, or any other document the terms of Section 10.2 shall apply and prevail;

(iv) Government Aggregator has the authority to designate, and has designated AEP Energy as its CRES provider for the Customers for the Term. If Government Aggregator is a governmental authority, no action taken by it will be an action by a governmental authority unless it is taken by Government Aggregator in the general exercise of its governmental police powers without a disproportionate impact on AEP Energy or this Agreement, and not in its capacity as a party to this Agreement, and no action taken by Government Aggregator's consultant(s), if any, will be an action by a governmental authority;

(v) This Agreement has been duly executed and delivered by the Government Aggregator, and this Agreement (assuming due authorization, execution and delivery of all parties) constitutes legal, valid and binding obligations of the Government Aggregator, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization and other laws affecting creditors' rights and remedies generally, to general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law;

(vi) The Government Aggregator is entering into this Agreement with a full understanding of all of the risks hereof (economic and otherwise), it is capable of assuming and willing to assume those risks and AEP Energy is not acting as a fiduciary or in an advisory capacity to it;

(vii) None of the documents or other written information furnished by or on behalf of the Government Aggregator or Customers to AEP Energy pursuant to this Agreement contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements contained herein or therein, in the light of the circumstances in which they were made, not misleading; and

(viii) The Government Aggregator has the contractual right to enter into this Agreement and to contract with AEP Energy to supply competitive retail electric service and related services to meet the obligations of Customers.

ARTICLE 9 - CONFIDENTIAL INFORMATION

9.1 Confidentiality. AEP Energy and Government Aggregator agree to keep all proprietary and trade secret terms and provisions of this Agreement confidential to the extent permitted by law and subject to the requirements of Section 149.43 of the Ohio Revised Code. Government Aggregator agrees to notify AEP Energy when any request for such information is made by a third party; provided, however, each party shall have the right to make such disclosures, if any, to government agencies and to its own agents, attorneys, auditors, accountants, and shareholders as may be reasonably necessary, so long as each party makes reasonable efforts to maintain the confidentiality of such information being so disclosed, whether by use of protective orders or otherwise, as is afforded by the process in which the disclosures are made. If disclosure is sought through process of a court, or a state or federal regulatory agency, the party from whom the disclosure is sought shall promptly notify the other party to allow it the opportunity to participate in such proceedings.

ARTICLE 10 - MISCELLANEOUS

10.1 Notices. Notices shall, unless otherwise specified herein, be in writing and may be delivered by hand delivery, United States mail, overnight courier, facsimile, or email to the persons and addresses listed in the introduction to this Agreement, provided however that notice by email and facsimile shall only be effective if followed by written notice as aforesaid. Notice by hand delivery shall be effective at the close of business on the day actually received, if received during business hours on a business day, and otherwise shall be effective at the close of business on the next business day. Notice by overnight United States mail or other overnight courier shall be effective on the day it is received. Notice by United States mail other than overnight United States mail shall be deemed effective when so received. A party may change its addresses by providing notice of said change in accordance herewith.

10.2 Entire Agreement. No other document (including the Plan) shall create any obligation, duty, or qualification with respect to the Program or the relationship of the parties under this Agreement. The parties acknowledge and agree that (a) each of Government Aggregator (with respect to itself or any Customer) and AEP Energy solely and exclusively shall rely upon and be bound by the specific representations, warranties, rights, and obligations set forth in this Agreement, (b) no other representations, warranties, restrictions, covenants, undertakings, or other statements whatsoever, whether written or oral (including in the Plan), to the contrary of this Agreement or otherwise, shall be deemed to constitute a part of this Agreement, unless expressly set forth herein, and

(c) this Agreement, including all attachments hereto, contains all of the terms and conditions of this Agreement reached by the parties, and supersedes all prior oral or written agreements with respect to the subject matter of this Agreement. This Agreement may not be modified, amended, altered or supplemented, except by written agreement signed by all parties hereto. No waiver of any term, provision, or conditions of this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be, or shall constitute a waiver of any other provision hereof, whether or not similar, nor shall such waiver constitute a continuing waiver, and no waiver shall be binding unless executed in writing by the party making the waiver. Notwithstanding anything to the contrary herein, this Agreement is effective only upon Government Aggregator's execution and AEP Energy's subsequent execution of this Agreement.

10.3 Waivers. Any request for a waiver of the requirements and provisions of this Agreement shall be in writing and must be approved in writing by the non-waiving party. The failure of either party to insist upon strict performance of such requirements or provisions or to exercise any right under this Agreement shall not be construed as a waiver or relinquishment of such requirements, provisions or rights.

10.4 Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Ohio without regard to any principles of conflicts of laws that would apply the law of another jurisdiction.

10.5 Controlling Provisions. In the event of any inconsistency between the terms herein and the terms of the attachments hereto, the provisions of this Agreement shall control.

10.6 Severability. Any provision in this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions or affecting the validity or enforceability of such provision in any other jurisdiction. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or the remainder of this Agreement.

10.7 Assignment. This Agreement shall not be transferred or assigned by either party without the express written authorization of the other party, which authorization shall not be unreasonably withheld. Notwithstanding the foregoing, AEP Energy may, without the consent of

Government Aggregator or Customers, (a) transfer, sell, pledge, encumber or assign this Agreement or the accounts, revenues or proceeds hereof in connection with any financing or other financial arrangement; (b) transfer or assign this Agreement to an affiliate of AEP Energy; or (c) transfer or assign this Agreement to any person or entity succeeding to all or a substantial portion of the assets of AEP Energy. Upon an assignment pursuant to (b) or (c), Government Aggregator and Customers agree that AEP Energy shall have no further obligations regarding future performance hereunder. Either party's assignee shall agree in writing to be bound by the terms and conditions of this Agreement, including the attachments. Subject to the foregoing, this Agreement and its attachments shall be binding upon and inure to the benefit of any permitted successors and assigns, to the extent permitted by law.

10.8 Forward Contract. The parties acknowledge and agree that (a) this Agreement constitutes a forward contract within the meaning of the United States Bankruptcy Code, and (b) AEP Energy is a forward contract merchant. Further, AEP Energy is not providing advice regarding "commodity interests," including commodity futures contracts and commodity options contracts or any other matter, which would cause it to be a "commodity trading advisor" under the U.S. Commodity Exchange Act, as amended.

10.9 Press Releases. Government Aggregator agrees and acknowledges that AEP Energy shall have the right to review and approve any press releases in connection with this Agreement prior to publication or release.

10.10 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall together constitute one instrument. Any counterpart may be executed and evidenced by signature transmitted by facsimile, e-mail or other electronic means as though it were an original.

10.11 No Third-Party Beneficiaries. This Agreement confers no rights or remedies whatsoever upon any person or entity other than the parties and shall not create, or be interpreted as creating, any standard of care, duty or liability to any person or entity not a party hereto. Neither party shall be liable to a third party not a party to this Agreement for any unauthorized act or omission on the part of the other party or for any unauthorized obligation or debt incurred by the other party.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the Effective Date set forth above.
